

Network Power Connections Ltd
11 Lowesmoor Wharf
Worcester, Worcestershire
WR1 2RS

VACANCY OPPORTUNITIES

Network Power Connections are looking for an enthusiastic and motivated LV/HV Cable Jointers to join our fast growing, dynamic team based in Worcester – Role will require working at various locations throughout the UK where our services are required.

LV / HV Cable Jointers

This is an exciting opportunity to be part of a trusted independent Connection Provider (ICP), we are proud to have developed a reputation for the provision of high-quality services from concept to delivery. We have developed a diverse portfolio of clients who rely on our customer-centric approach to provide them with a first-class electrical supply solution.

Jointers Requirements:

Suitable candidates will need to be experienced in delivering support to project managers / required to work in different work settings for the installation, repair, maintenance and servicing of LV / HV cable jointing and terminations.

Must understand and complete regular risk assessments and always maintain safe working practices.

Ensure that all NERS work is undertaken in line with NERS operational procedures and method statements.

Must have good communication skills.

We are looking for candidates who are experienced Jointer/Fitters with a minimum of 2 years DNO background or experience of working with IDNO / ICP, who possess all relevant CSCS / ECS / SHEA Electric qualifications.

A full UK driving license is essential for the role.

To apply for this role or request job description, please forward your contact details and a CV to becky.thorne@networkpowerconnections.co.uk.
